Kristen,

Please send me your comments whenever you are ready. I will be available every day this week, so if we need to discuss anything further, please give me a call.

It was good to hear that DNR has many of the same concerns as we do on the plan. I hope they are able to get a quick turnaround from REI on a revision.

My contractor has identified a firm to perform the Haskell Lake private well samples. They are CWE from Weston, WI. Please let me know if you have any concerns about this firm.

Thank you,

Bob
